**POLICY MANUAL**

(Revised & Approved Jan 2007, Revised Oct 2009; Revised July 2013)

**I. History – Founding of KAECE**

KAECE is the result of the blending of two organizations in 1995-1996. The two parent organizations were the Kentucky Early Childhood Association (KECA) and the Kentucky Association for the Education of Young Children (KAEYC).

In 1993, KECA became an affiliate of the Southern Early Childhood Association (SECA) which was founded in 1948. In 1994, KECA merged with KAEYC to become KAECE and became an affiliate of the National Association for the Education of Young Children (NAEYC), which was founded in 1926.

KAECE is founded on the highest standards and principles of both parent organizations and the importance of meeting the needs of our expanding profession and the children and families we serve.

The KAECE logo was designed by Alan Howie.

- c) Purchaser should always take advantage of the tax exempt status of the Association when making purchases.

### J. Vendor Invoices: The following are general policies for vendor invoices:

1. The vendor invoice should be supported by the signature or initials of the Business Manager, the Treasurer, or another officer authorized to approve the purchase in accordance with the procedures for "Authorizations and Purchasing Limits" prior to processing for payment.
2. Any individual providing any service that is compensated by the Association must provide name, address, and Social Security Number or EIN to the KAECE State Office for the purpose of the Association filing IRS Form 1099. Payment will not be authorized until all such information is received.

### K. Expense Reports and Reimbursements: Reimbursements for travel expenses or other approved costs will be made only upon the receipt of a properly completed expense reimbursement form. All required receipts must be attached, and a brief description of the business purpose of the expense, trip, or meeting must be noted on the form. - c) All reimbursement requests must be submitted on the approved KAECE form. The request must be submitted to the Business Manager no later than one month following the completion of the travel for which the reimbursement is requested.

## KAECE POLICY MANUAL

2. Hotel Reimbursement: KAECE shall pay hotel rooms up to \$50.00 for Board Members who travel more than 100 miles (one way) to a Board Meeting. Sharing a room with another Board Member is encouraged. This provision does not apply to the KAECE Institute.
  3. Committee Meeting Mileage & Hotel Reimbursement: Committee Meeting travel is allowed at the same rate as Board Meeting travel at the discretion of the Executive Committee.
  4. Special Rules Pertaining to Air Travel: The following additional rules apply to air travel:
    - a) Air travel should be at coach class or the lowest commercial discount fare at the time the ticket is purchased except when this fare would require circuitous routing, require travel during unreasonable hours, excessively prolong travel, result in additional costs that would offset the transportation savings, or offer accommodations not reasonably adequate for the traveler's medical needs.
    - b) First class air travel shall not be reimbursed unless there is a documented medical reason, and such use must be documented.
    - c) Memberships in airline flight clubs are not reimbursable.
    - d) Cost of flight insurance is not reimbursable.
    - e) Cost of upgrade certificates is not reimbursable.
    - f) Cost of canceling and rebooking flights is not reimbursable, unless it can be shown that it was necessary or required for legitimate business reasons (such as changed meeting dates, etc.).
    - g) Travelers must identify and pay for all personal flights, even if such flights are incorporated into a flight schedule that serves business purposes (i.e., KAECE will not reimburse for the personal legs of a trip).
    - h) KAECE does not reimburse a Board member for separate travel costs (air fare, etc.) associated with his/her spouse or partner.
- L. Credit/Debit Cards: The Business Manager may be issued a corporate credit/debit card provided that the card shall be used exclusively for Association-related business purposes. The cardholder shall take reasonable precautions to protect the card from loss or theft by storing it in a secure location. Credit card charges not properly documented will be deemed personal and inappropriately charged back to the cardholder. The cardholders shall report the loss or theft of an Association credit card immediately by notifying the credit card company or bank as well as the Treasurer.
- M. Cash Disbursement Policies
1. Check or Electronic Payments: All vendor and expense reimbursement checks or electronic payments shall be produced in accordance with the following guidelines:
    - a) Expenditures must be supported in conformity with purchasing, travel, and business expense policies described above.
    - b) Timing of disbursements should generally be made to take advantage of all early-payment discounts.
    - c) Generally, all vendors shall be paid within thirty days of submitting a proper invoice upon delivery of the requested goods or services.

## KAECE POLICY MANUAL

- d) All supporting documentation is attached to vendor invoice or expense reports.
  - e) All vendor invoices shall have one authorization except for regular monthly or quarterly invoices or expenses of a recurring nature such as rent, utilities, telephone, internet services, leases, insurance payments, etc. which may be approved and authorized by the Business Manager.
  - f) Authorizations shall include at a minimum one of the following: the signature of an approved authorizing individual; a copy of written approval (i.e. email confirmation of approval shall be acceptable); and/or references to the source and date of the Association minutes indicating approval by the Executive Committee and/or Board.
  - g) Checks shall be utilized in numerical order and unused checks shall be stored in a locked file.
  - h) Checks shall never be made payable to “bearer” or “cash.”
  - i) Checks shall never be signed prior to being prepared.
  - j) Upon the preparation of a check, vendor invoices and other supporting documentation shall immediately be marked in ink “Paid” with the date of the transaction in order to prevent subsequent reuse.
2. Check Signing or Electronic Payment Authorization: Given the size of the Association and the locations of the State Office and the officers, it would not be practical or efficient to have two signatures on every check. Furthermore, the use of electronic payments which require no signature but simply password authorization will be used as the primary form of payment. Use of electronic payments will reduce mailing and preparation time and costs and at the same time provide enhanced bank reconciliation. Therefore, KAECE shall require only one signature or electronic bank authorization for payment. For most transactions, the Business Manager shall sign checks or authorize electronic payments. However, the Business Manager and Treasurer shall be signatories on all accounts and therefore may sign checks or authorize payments as needed.
3. Voided Checks and Stop Payments
- a) Checks may be voided due to processing errors by making proper notations in the check register and defacing the check by clearly marking it as “VOID.” All voided checks shall be retained to aid in preparation of bank reconciliations.
  - b) Stop payment orders may be made for checks lost in the mail or other valid reasons. Stop payments are processed by telephone instruction and written authorization to the bank by the Business Manager. Written documentation shall be maintained as a record of the stop payment and any related bank fees.
- N. Bank Reconciliations: The following procedures will be utilized for all bank reconciliations:
- 1. Each month, the original bank checking account statement will be mailed from the bank directly to the State Office.

## KAECE POLICY MANUAL

2. The Business Manager shall open the statement and review its contents for unusual, unexplained or unauthorized items which shall be reported immediately to the Bank and to the Treasurer and President.
  3. Using the financial software, the Business Manager shall print monthly report of the final reconciliation, together with a detailed monthly report of all account transactions. These reports shall be sent to the Treasurer each month.
  4. If necessary, the Business Manager, President, or Treasurer may view electronic copies of deposits or cancelled checks provided by the financial institution or through internet access to bank's web site.
  5. The Treasurer may request additional detailed reports of all deposits and expenditures from the Business Manager if needed.
- O. Annual Review: Each January, the Business Manager shall prepare an annual report for the Board which shall include a Profit & Loss Statement for the prior year, a Statement of Account Balances for the prior year, and a Budget Statement showing actual revenues and expenses compared to budgeted revenues and expenses for the prior year. Due to KAECE's limited size and financial resources, an annual audit is not economically feasible. On vote of the Board, the Treasurer may conduct a review or audit of all books and records of the Association, or may secure the services of a qualified outside firm or individual to conduct such review.
- P. Record Retention Policy: KAECE shall retain all important financial and legal records for a period of five (5) years, after which all such records shall be destroyed.
- Q. Amendments to Financial Management Policies: These financial policies may be amended by a majority vote at any regular or special meeting of the Board.
